Potential Art Work Locations

A

Within the green boundary line, the area coloured green furthest to the right on the plans. This is an open space leading to an open field and ring fort.

B

On the left side of the plan there are two defined green areas in the yellow area (courtyard)

C

Under the smaller of the two green areas in Section B there is an area marked by little squares. This signifies the open area – it is roofed to offer shelter.
