1. Approval of the National Community Weekend Funding 2019

Andrew Dundas thanked everyone for attending this special meeting to approve the event applications under the National Community Weekend. M. Meehan described the background to this funding stream and an overview of process involved.

D. Power circulated a list of projects submitted with corresponding evaluation scores and a recommended amount of funds to be allocated to each project.

The list of recommended funding amounts for the events was proposed by Cllr. Bill Chamber and seconded by Cllr. Richard Nagle.

It was noted by AM Flanagan and Cllr. J. Flynn that one of the applications submitted is for a fundraising event by Clare Crusaders. It was agreed that this will be highlighted to the group concerned to ensure that there is a community participation element to the event.

It was also noted that the mode of transport proposed by the Twelve O'Clock Hills project should be suitable for wheelchair users.

With no other business the meeting concluded.

The next meeting is scheduled to take place on Wednesday, 15th May 2019 at 11a.m. Training Room, Áras Contae on Chláir, New Road, Ennis, Co Clare
