**Background to Referral**

**Statutory Provisions**

Planning and Development Act, 2000 (as amended)

In order to assess this proposal, regard has to be had to the *Planning and Development Act 2000, as amended*.

'Works' are defined in Section 2 of the *Planning and Development Act 2000*, as amended as follows:

*"works" includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.*

'Development' are defined in Section 3 of the *Planning and Development Act 2000*, as amended as follows:

S.3.(1) In this Act, "*development*" means, except where the context otherwise requires, the carrying out of any works on, in, over or under land or the making of any material change in the use of any structures or other land.

Planning & Development Regulations, 2001, as amended

Article 6 refers to Exempted Development and states that subject to Article 9, development of a class specified in column 1 of Part 3 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 3 opposite the mention of that class in the said column 1.

Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3,

*Part 3 Exempted Development Rural- Article 6*

**Class 9**

Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3, Class 9

Works consisting of the provision of any store, barn, shed, glass-house or other structure, not being of a type specified in class 6, 7 or 8 of this Part of this Schedule, and having a gross floor space not exceeding 300 square metres.

Conditions and Limitations

- 1.No such structure shall be used for any purpose other than the purpose of agriculture or forestry, but excluding the housing of animals or the storing of effluent.
- 2.The gross floor space of such structures together with any other such structures situated within the same farmyard complex or complex of such structures or within 100

metres of that complex shall not exceed 900 square metres gross floor space in aggregate.

3. No such structure shall be situated within 10 metres of any public road.

4. No such structure within 100 metres of any public road shall exceed 8 metres in height.

5. No such structure shall be situated within 100 metres of any house (other than the house of the person providing the structure) or other residential building or school, hospital, church or building used for public assembly, save with the consent in writing of the owner and, as may be appropriate, the occupier or person in charge thereof.

6. No unpainted metal sheeting shall be used for roofing or on the external finish of the structure.

*Schedule 2, Article 6, Part 1 – Exempted Development General.*

Under Article 9 (1) of the same Regulations, *development to which Article 6 relates shall not be exempted development for the purposes of the Act:*

*(a) if the carrying out of such development would –*

*(i) contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act*

*(ii) consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,*

*(iii) endanger public safety by reason of traffic hazard or obstruction of road users,*

*(iiia) endanger public safety by reason of hazardous glint and/or glare for the operation of airports, aerodromes or aircraft,*

*(iv) except in the case of a porch to which class 7 specified in column 1 of Part 1 of Schedule 2 applies and which complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1, comprise the construction, erection, extension or renewal of a building on any street so as to bring forward the building, or any part of the building, beyond the front wall of the building on either side thereof or beyond a line determined as the building line in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,*

*(v) consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies,*

*(vii) interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.*

*(vii) consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,*

*(viiA) consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,*

*(viiB) comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,*

*(viiC) consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."*

*(viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,*

*(ix) consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,*

*(x) consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,*

*(xi) obstruct any public right of way,*

*(xii) further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.*

## Assessment

### Basis of Referral

The applicant is seeking a Section 5 Declaration as to whether a shed for farm machinery on the applicants own land is development and is or is not exempted development.

Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3,

### **Class 9**

Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3, Class 9

Works consisting of the provision of any store, barn, shed, glass-house or other structure, not being of a type specified in class 6, 7 or 8 of this Part of this Schedule, and having a gross floor space not exceeding 300 square metres.

The shed is for the storage of farm equipment and feed and is not for the housing of animals and as such falls under class 9.

### Conditions and Limitations

1.No such structure shall be used for any purpose other than the purpose of agriculture or forestry, but excluding the housing of animals or the storing of effluent.

### **This is the case .**

2.The gross floor space of such structures together with any other such structures situated within the same farmyard complex or complex of such structures or within 100 metres of that complex shall not exceed 900 square metres gross floor space in aggregate.

**There is no other storage shed of this class on the farmlands . ( The existing shed is for cattle which is not the same class) .**

3. No such structure shall be situated within 10 metres of any public road.

**The structure is 340m distance from the regional road to the west and 150m from the local road to the north.**

4. No such structure within 100 metres of any public road shall exceed 8 metres in height.

**The maximum height is 4.6m to the ridge and as such meets this requirement .**

5. No such structure shall be situated within 100 metres of any house (other than the house of the person providing the structure) or other residential building or school,

hospital, church or building used for public assembly, save with the consent in writing of the owner and, as may be appropriate, the occupier or person in charge thereof.

**The structure is 115m from the nearest dwelling to the north.**

6. No unpainted metal sheeting shall be used for roofing or on the external finish of the structure.

**External finishes are concrete wall and galvanised roof.**

Article 9 of the Planning and Development Regulations 2001, as amended

Article 9 of the Planning and Development Regulations 2001, as amended outlines restrictions on exempted development, and these are assessed below:

- (i) *contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act*

**N/A- No planning history**

- (ii) *consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,*

**No alterations to the existing access point are proposed.**

- (iii) *endanger public safety by reason of traffic hazard or obstruction of road users,*

**N/A.**

*(iiia) endanger public safety by reason of hazardous glint and/or glare for the operation of airports, aerodromes or aircraft,*

**N/A.**

- (iv) *interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.*

***The site is within a designated settled landscape which does not have views or prospects of special amenity value or special interest.***

- (v) *consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies,*

**N/A This is not applicable in this instance.**

- (vi) *consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,*

**N/A This is not applicable in this instance.**

- (vii)
  - a. *consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,*

**N/A This is not applicable in this instance .**

- b. *comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,*

**N/A**

- c. *consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."*

**This is not applicable in this instance as the subject site is not located in a NHA or p NHA.**

- (viii) *consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,*

**N/A.**

- (ix) *consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,*

**This is not applicable in this instance.**

- (x) *consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,*

**This is not applicable in this instance.**

- (xi) *obstruct any public right of way,*

**This is not applicable in this instance.**

- (xii) *further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.*

**This is not applicable in this instance.**

## **Conclusion**

Having regard to the above it is considered that the development proposed constitutes both 'works' and 'development'. It was noted on inspection that works had not commenced.

Regard has been had to Class 9, of Part 3 of Schedule 2 of the Planning and Development Regulations 2001, as amended and Article 9 as amended of the same Regulations.

<b>Recommendation</b>
-----------------------

The following questions have been referred to the Planning Authority:

**Whether a machinery shed being built on farm lands at Toomullin Doolin is or is not development and is or is not exempted development**

**The Planning Authority in considering this referral had regard to:**

- (a) Sections 2 and 3 of the Planning and Development Act 2000, as amended,
- (b) Schedule 2, Part 3, Class 9 of the Planning and Development Regulations 2001 (as amended)
- (c) Articles 6 and 9 of the Planning and Development Regulations 2001 (as amended)
- (d) The details and drawing as indicated in submitted documents from the referrer.

**And whereas Clare County Council (Planning Authority) has concluded:**

- a) the development consisting of a shed for the storage of farm machinery constitutes "works" and "development" which come within the scope of sections 2 and 3 of the Planning and Development Act 2000, as amended.
- b) The said development falls within the scope of the Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3, Class 9.

**Now therefore Clare County Council (Planning Authority), hereby decides that the shed (being built) on farmlands at Toomullin Doolin, Co. Clare is development and is exempted development.**

<sup>2</sup> If the site or part thereof is within the European site or adjacent to the European site, state here.

### STEP 3. Assessment of Likely Significant Effects

(a) Identify all potential direct and indirect impacts that may have an effect on

the conservation objectives of a European site, taking into account the size and scale of the project under the following headings:

Impacts:	Possible Significance of Impacts: (duration/magnitude etc.)
<p>Construction phase e.g.</p> <ul style="list-style-type: none"> <li>• Vegetation clearance</li> <li>• Demolition</li> <li>• Surface water runoff from soil excavation/infill/landscaping (including borrow pits)</li> <li>• Dust, noise, vibration</li> <li>• Lighting disturbance</li> <li>• Impact on groundwater/dewatering</li> <li>• Storage of excavated/construction materials</li> <li>• Access to site</li> <li>• Pests</li> </ul>	none
<p>Operational phase e.g.</p> <ul style="list-style-type: none"> <li>• Direct emission to air and water</li> <li>• Surface water runoff containing contaminant or sediment</li> <li>• Lighting disturbance</li> <li>• Noise/vibration</li> <li>• Changes to water/groundwater due to drainage or abstraction</li> <li>• Presence of people, vehicles and activities</li> <li>• Physical presence of structures (e.g. collision risks)</li> <li>• Potential for accidents or incidents</li> </ul>	none
In-combination/Other	none

(b) Describe any likely changes to the European site:

Examples of the type of changes to give consideration to include:

- Reduction or fragmentation of habitat area
- Disturbance to QI species
- Habitat or species fragmentation
- Reduction or fragmentation in species density
- Changes in key indicators of conservation status value (water or air quality etc.)
- Changes to areas of sensitivity or threats to QI
- Interference with the key relationships that define the structure or ecological function of the site

none

(c) Are '*mitigation*' measures necessary to reach a conclusion that likely significant effects can be ruled out at screening?

☐ Yes ☒ No

#### Step 4. Screening Determination Statement

##### The assessment of significance of effects:

Describe how the proposed development (alone or in-combination) is/is **not likely** to have **significant** effects on European site(s) in view of its conservation objectives.

Having regard to the separation distance between the subject site and nearest SAC, and SPA, the use of the sheds being dry storage ( for farm machinery) and the absence of hydrological connection between the subject site and the European site, the proposed development is not likely to have significant effects on European site(s) in view of its conservation objectives

**Conclusion:** The proposed development is not likely to have significant effects

on European site(s) in view of its conservation objectives.

	Tick as Appropriate:	Recommendation:
(i) It is clear that there is <b>no likelihood</b> of significant effects on a European site.	<input checked="" type="checkbox"/>	The proposal can be screened out: Appropriate assessment not required.
(ii) It is <b>uncertain</b> whether the proposal will have a significant effect on a European site.	<input type="checkbox"/>	<input type="checkbox"/> Request further information to complete screening <input type="checkbox"/> Request NIS <input type="checkbox"/> Refuse planning permission
