Background to Referral

This Referral under Section 5(3)(a) of the Planning and Development Act 2000 (as amended) has been made by Lilly and Dan.

The referral question is as follows- whether the proposed sunroom is considered development and if so, is it exempted development.

The site is bound to the south (side) by the estate road and to the west (front) by the estate road. It is bound to the north and east by dwellings of similar design. There is a small patio area to the rear of the house enclosed by garden fencing.

The proposed sunroom is to be located at the rear (eastern) side of the house such that it aligns with the southern gable. The total floor area is 12.25 sqm and the height of the hipped roof is 4.2m.

Statutory Provisions

(1) Planning and Development Act, 2000 (as amended)

In order to assess this proposal, regard has to be had to the *Planning and Development Act 2000, as amended*.

S.3.(1) In this Act, "development" means, except where the context otherwise requires, **the carrying out of any works on, in, over or under land** or the making of any material change in the use of any structures or other land.

'Works' are defined in Section 2 of the *Planning and Development Act 2000*, as amended as follows:

"works" includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.

(2) Planning & Development Regulations, 2001, as amended

Subject to article 9, development of a class specified in column 1 of Part 1 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1

Planning and Development Regulations 2001 (as amended) Schedule 2, Part 1, Class 1

The extension of a house, by the construction or erection of an extension (including a conservatory) to the rear of the house or by the conversion for use as part of the house of any garage, store, shed or other similar structure attached to the rear or to the side of the house.

1. (a)

Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres.

(b)

Subject to paragraph (a), where the house is terraced or semi-detached, the floor area of any extension above ground level shall not exceed 12 square metres.

(c)

Subject to paragraph (a), where the house is detached, the floor area of any extension above ground level shall not exceed 20 square metres.

2. (a)

Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres.

(b)

Subject to paragraph (a), where the house is terraced or semi-detached and has been extended previously, the floor area of any extension above ground level taken together with the floor area of any previous extension or extensions above ground level

constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 12 square metres.

(c)

Subject to paragraph (a), where the house is detached and has been extended previously, the floor area of any extension above ground level, taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 20 square metres.

3. *Any above ground floor extension shall be a distance of not less than 2 metres from any party boundary.*

4. *(a)*

Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.

(b)

Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.

(c)

The height of the highest part of the roof of any such extension shall not exceed, in the case of a flat roofed extension, the height of the eaves or parapet, as may be appropriate, or, in any other case, shall not exceed the height of the highest part of the roof of the dwelling.

5. *The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres.*

6. *(a)*

Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.

(b)

Any window proposed above ground level in any such extension shall not be less than 11 metres from the boundary it faces.

(c)

Where the house is detached and the floor area of the extension aboveground level exceeds 12 square metres, any window proposed at above ground level shall not be less than 11 metres from the boundary it faces.

7. *The roof of any extension shall not be used as a balcony or roof garden.*

Under Article 9 (1) of the same Regulations, development to which Article 6 relates shall not be exempted development for the purposes of the Act:

- (a) if the carrying out of such development would –*

- (i) contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act
- (ii) consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,
- (iii) endanger public safety by reason of traffic hazard or obstruction of road users,
- (iiia) endanger public safety by reason of hazardous glint and/or glare for the operation of airports, aerodromes, or aircraft,
- (iv) except in the case of a porch to which class 7 specified in column 1 of Part 1 of Schedule 2 applies and which complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1, comprise the construction, erection, extension or renewal of a building on any street so as to bring forward the building, or any part of the building, beyond the front wall of the building on either side thereof or beyond a line determined as the building line in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,
- (v) consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies,
- (vii) interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.
- (vii) consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,
- (viiA) consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,
- (viiB) comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,
- (viiC) consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."

(viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorized structure or a structure the use of which is an unauthorized use,

(ix) consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

(x) consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,

(xi) obstruct any public right of way,

(xii) further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.

Assessment

Basis of Referral

The applicant is seeking a Section 5 Declaration as to whether the proposed sunroom rear extension is considered development and if so, is it exempted development.

Particulars of the Development

- The proposed sunroom is to be located at the rear (eastern) side of the house such that it aligns with the southern gable. The total floor area is 12.25 sqm and the height of the hipped roof is 4.2m.
- There is one large panoramic window on the south facing elevation (overlooking the distributor road in the estate and the sea,.
- There is one small high level window in the northern elevation .
- There are double patio doors in the eastern elevation.

The proposed extension to the rear of the cottage is considered in the context of Schedule 2, Part 1, Class1 of the Planning and Development Regulations 2001 (as amended) which provides for the following class of exempted development.

The extension of a house, by the construction or erection of an extension (including a conservatory) to the rear of the house or by the conversion for use as part of the house of any garage, store, shed or other similar structure attached to the rear or to the side of the house.

The extension is located to the rear of the existing dwelling house.

1. (a)

Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres.

The house has not been previously extended. The floor area of the extension is 12.25m².

(b)

Subject to paragraph (a), where the house is terraced or semi-detached, the floor area of any extension above ground level shall not exceed 12 square metres.

N/A. The house is detached.

(c)

Subject to paragraph (a), where the house is detached, the floor area of any extension above ground level shall not exceed 20 square metres.

N/A. The subject dwelling is a single storey detached structure. There is no extension above ground level proposed.

2. (a)

Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres.

No previous extensions were undertaken. The floor area of the subject extension is less than 40m²

(b)

Subject to paragraph (a), where the house is terraced or semi-detached and has been extended previously, the floor area of any extension above ground level taken together with the floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 12 square metres.

N/A. The house is detached.

(c)

Subject to paragraph (a), where the house is detached and has been extended previously, the floor area of any extension above ground level, taken together with the

floor area of any previous extension or extensions above ground level constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 20 square metres.

N/A. The proposed extension is located on the ground floor area only.

3. *Any above ground floor extension shall be a distance of not less than 2 metres from any party boundary.*

Not applicable – extension is at ground floor level.

4.(a) *Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.*

This is the case.

(b)

Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.

The rear wall of the house does not include a gable.

(c)

The height of the highest part of the roof of any such extension shall not exceed, in the case of a flat roofed extension, the height of the eaves or parapet, as may be appropriate, or, in any other case, shall not exceed the height of the highest part of the roof of the dwelling.

In this case the height of the highest part of the roof structure (4.2m) does not exceed the height of the highest part of the roof of the dwelling (5.4m).

4. *The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres.*

In excess of 25m² remains.

5. (a)

Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.

This is complied with. On the south side the window is 3m from the boundary it faces.

On the north side the windows is 23m from the boundary it faces and on the easters site the patio door area 8.6m from the boundary it faces.

(b)

Any window proposed above ground level in any such extension shall not be less than 11 metres from the boundary it faces.

N/A

(c)

Where the house is detached and the floor area of the extension above ground level exceeds 12 square metres, any window proposed at above ground level shall not be less than 11 metres from the boundary it faces.

N/A

6. *The roof of any extension shall not be used as a balcony or roof garden.*

Not applicable.

Having regard to the above and to the details as submitted, I consider that the proposed sunroom is exempt from the requirement to obtain permission under Schedule 2, Part 1, Class 1 of the Planning and Development Regulations 2001 (as amended) as the conditions and limitations on this form of exempted development as are set out in of Schedule 2, Part 1, Class1 of the Planning and Development Regulations 2001 (as amended) have been met.

Article 9 of the Planning and Development Regulations 2001, as amended

Under Article 9 (1) of the same Regulations, development to which Article 6 relates shall not be exempted development for the purposes of the Act:

(a) if the carrying out of such development would –

(i) contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act

The proposal does not contravene a condition of any previous permission.

(ii) consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,

No access points onto the public road network are affected by the proposal.

(iii) endanger public safety by reason of traffic hazard or obstruction of road users,

The proposal does not create a traffic hazard or obstruct road users in the area.

(iiia) endanger public safety by reason of hazardous glint and/or glare for the operation of airports, aerodromes, or aircraft,

The proposal site is not located in a solar safeguard zone.

(iv) except in the case of a porch to which class 7 specified in column 1 of Part 1 of Schedule 2 applies and which complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1, comprise the construction, erection, extension or renewal of a building on any street so as to bring forward the building, or any part of the building, beyond the front wall of the building on either side thereof or beyond a line determined as the building line in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

No applicable to the proposal

(v) consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies

Not applicable to this proposal

(vi) interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.

The proposal does not interfere with the character of the area.

(vii) consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,

Not applicable to this proposal

(viiA) consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,

There are no known archaeological features in the vicinity of the proposal site.

(viiB) comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,

The Inagh River estuary SAC is 4km distance from the subject site. In the absence of proximity or connectivity to a European Site, no Appropriate Assessment issues arise and I do not consider that the proposed development would be likely to have a significant effect individually or in combination with other plans or projects, on a European Site.

Appropriate assessment is not therefore required.

(viiC) consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."

No applicable in this instance

(viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorized structure or a structure the use of which is an unauthorized use,

Not applicable to this proposal

(ix) consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

Not applicable in this instance

(x) consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,

Not applicable in this instance

(xi) obstruct any public right of way,

Not applicable in this instance

(xii) further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the

making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.

The development site is not within an Architectural Conservation Area.

Assessment;

The following question has been referred to the Planning Authority:

“ Whether the construction of a sunroom to the rear of no. 42 Knockrahaderry is development and if so, is it exempted development”.

In this case the proposed extension meets the conditions and limitation that apply to the class of exempted development as set out under Schedule 2, Part 1, Class1 of the Planning and Development Regulations 2001 (as amended) which provides for the following class of exempted development.

Conclusion

Having regard to the above it is considered that the proposed development constitutes both ‘works’ and ‘development’ which is exempted development. Regard has been had to Class 9, of Part 3 of Schedule 2 of the Planning and Development Regulations 2001, as amended and Article 9 as amended of the same Regulations.

Recommendation

The following questions have been referred to the Planning Authority:

Whether the construction of a sunroom to the rear of no. 42 Knockrahaderry, Liscannor is development and if so, is it exempted development development.

The Planning Authority in considering this referral had regard to:

- (a) Sections 2 and 3 of the Planning and Development Act 2000, as amended,
- (b) Schedule 2, Part 3, Class 9 of the Planning and Development Regulations 2001 (as amended)

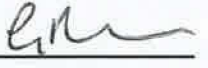

- (c) Articles 6 and 9 of the Planning and Development Regulations 2001 (as amended)
- (d) The details and drawing as indicated in submitted documents from the referrer.

And whereas Clare County Council (Planning Authority) has concluded:

- a) the development consisting of a rear extension to an existing dwelling constitutes "works" and "development" which come within the scope of sections 2 and 3 of the Planning and Development Act 2000, as amended.
- b) The said development falls within the scope of the Planning and Development Regulations 2001 (as amended) Schedule 2, Part 3, Class 9.

Now therefore Clare County Council (Planning Authority), hereby decides that the construction of a sunroom to the rear of the n existing dwelling in accordance with the drawings and details received by the Planning Authority, at no. 42 Knockrahaderry, Liscannor ,Co. Clare is development and is exempted development.
