22/8000	Clare County Council	P	03/02/2022	<p>Proposes to carry out the following development. The development consists of a flood defence protecting three properties in Quin Co Clare. The defence consists of two sections of earthen embankment and a reinforced concrete wall. The reinforced concrete wall section is approximately 120m long, with a maximum height of 2.2m. To the south a 2m high embankment extends approximately 80m to higher ground. To the north a less than 1m high embankment extends approximately 20m to higher ground. In accordance with the Habitats Directive, Appropriate Assessment Screening has been carried out on the project and has determined that a full Appropriate Assessment is not required in respect of the project. An Environmental Impact Assessment (EIA) screening determination has been made and concludes that there is no real likelihood of significant effects on the environment arising from the proposed development.</p> <p>Knocknagoug Quin Co Clare</p>		N	N	N
