RE: Folio Number CE16962
Old Farm (Eunicas), Clonroad, Ennis, Co. Clare.

Dear Sirs,

I refer to the above Folio No. and zoned residential land for Tax property at the back of our home.

This land is currently land locked as there is no access that would suit for a low density property development.

We are asking for a waiver of the tax until such time that there would be access to the property for development purposes. Please contact me if you have any questions.

I look forward to hearing from you in early course.

Yours faithfully,
