Re: Residential Zoned Land Tax Annual Draft Map
Ref: Section 653B of the Taxes Consolidation Act 1997

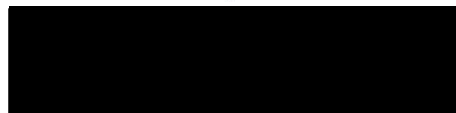

A Chara,

I am writing to you on behalf of myself and my siblings in relation to the above-mentioned Residential Zoned Land Tax Annual Draft Map. We are the owners of a property in Ieverstown, Sixmilebridge (Folio number CE56119F) and we would like to lodge a submission to have this property excluded from the upcoming Residential Zoned Land Tax Annual Draft Map. We would like to have our property excluded on the following grounds:

- 1) This property has been historically used as agricultural land for over the past sixty years. The property is currently leased by a local farmer for use in his farming business and has been in use by this farmer for a number of years. The property is an integral part of this farmer's business. We would request that our property be excluded from upcoming Residential Zoned Land Tax Annual Draft Map as this is currently integral to a local business.
- 2) We are currently actively seeking to sell this property for development. We would request that our property be excluded from upcoming Residential Zoned Land Tax Annual Draft Map to allow us to progress with this endeavour unencumbered and any subsequent sale.

We hope you will take our submission into consideration when making your decision in relation to the Residential Zoned Land Tax Annual Draft Map. Thank you.

Yours Sincerely,
