Drinking Water Notification History

Note: The Drinking Water Notification History page for your Water Service Authority lists only new notifications entered via the On-line Drinking Water Notification System since its launch on 02/08/2011. Exceedances notified to the EPA by e-mail to drinkingwater@epa.ie or pertaining to existing files will not appear on the list, below. Files which were in existence prior to the launch of the on-line system will not appear in the list below. Files opened by your inspector for an audit of a supply (which has not had an exceedance notified) will not appear in the list below. A complete list of open files for your Water Service Authority may be obtained on request from your inspector at any time.

Alternatively, email: drinkingwater@epa.ie
