**COMHAIRLE CONTAE AN CHLÁIR
CLARE COUNTY COUNCIL**

**Adopted by Council
9th September 2024**

1.0 Introduction

Clare County Council with its range of responsibilities impacts on the lives of every person in County Clare. The Council has clear statutory and service obligations which it carries out on behalf of and for the benefit of the people of the County.

There are 28 councillors elected to Clare County Council from four Municipal Districts as set-out below. The Council formulates and adopts policy and is assisted and supported in this work by a number of Committees called Strategic Policy Committees. The executive of the Council i.e. the officials, in turn, implement the adopted policy.

Table 1: Municipal District Membership

Following the local elections held in June 2024 it is necessary for each County and City Council to establish new S.P.C.'s in line with Revised Guidelines for Establishment and Operation of Corporate Policy Groups and Strategic Policy Committees issued in June 2024

The Corporate Policy Group (C.P.G.) consists of the Cathaoirleach of the Council who will chair the group together with the chair of each of the Strategic Policy Committees and a representative of any Municipal District not already on the C.P.G. This group will provide a forum for policy issues which transcend the remit of individual S.P.C.'s and which affect the Council as a whole.

The role of the C.P.G. is strategic and it links and co-ordinates the work of the different S.P.C.'s.

Strategic Policy Committees.

The statutory basis for S.P.C.'s is set out in Section 48 of the Local Government Act 2001 as amended by Section 41 of the Local Government Reform Act 2014. The S.P.C.'s

- assist the council in the formulation, development and review of policy
- reflect the major functions or services of a local authority within the broader context.
- are tailored to the size, membership and administrative resources of a local authority but generally would be four in number; with the option for more if warranted.

- have one third of their membership drawn from sectors relevant to the committees' work.

Strategic Policy Committees (SPC) are structured around the main functions of Councils. They are made up of elected councillors and other representatives of the Social Partners and other Sectoral interests. Each SPC will be chaired by an elected councillor and will be supported by a Director of Services. The task of the SPC is to assist and advise the Council in the formulation, development and review of policy. The SPCs will not be concerned with individual representational or operational issues. Final policy decisions, however, will ultimately rest with the full Council acting as a body.

2.0 Operational Level

The Chief Executive and his staff are responsible for the operational activities of Clare County Council. They oversee the day-to-day management and administration of the services and functions of the organisation and operate within Government and Council policy and the legal framework governing local authorities.

2.1 Services

The services that Clare County Council provides to the people of County Clare are classified into eight Divisions:

Division A	Housing and Building
Division B	Road Transportation and Safety
Division C	Water Services
Division D	Development Management
Division E	Environmental Services
Division F	Recreation and Amenity
Division G	Agriculture, Education, Health and Welfare
Division H	Miscellaneous Services

3.0 Proposed Framework for the Strategic Policy Committees

Clare County Council propose to establish five Strategic Policy Committees (SPCs). Five Chairs designate were appointed to the committees following the Local Elections in June 2024.

The proposed breakdown and chairs of the S.P.C.'s to be established is set out in the table below.

STRATEGIC POLICY COMMITTEE	CHAIR

Tourism Development	Cllr. Shane Talty

Meetings of SPCs

SPCs will normally meet about 4 times yearly at suitable times for all SPC members and it will be a matter for each individual SPC to decide on times, dates etc. for their meetings.

If an SPC member misses 2 consecutive meetings without providing advance notice and reasonable cause of inability to attend their nominating organisation will be asked to de-select/re-affirm their nominee.

Media

Meetings of SPCs will generally be open to the Media, unless a Committee shall decide otherwise by a majority vote of the membership of that Committee.

3.1 Requirements of the Departmental Guidelines

General Guidelines

SPCs will prepare the groundwork for policies which will then be decided on by the County Council

- Each SPC must have one third (1/3) of the membership drawn from the sectoral interests
- SPCs are to have a minimum total membership of nine.
- SPC Membership for Councillors should be for the lifetime of the Council. A person ceasing to be a Councillor would automatically cease membership of the SPC
- SPC chairs should hold office for a minimum of three years which could be renewed by the Council
- The sectoral nominees will retain membership of the SPC for the life of the Council. Any vacancy arising will be filled on the nomination of the body of the member causing the vacancy.
- A Director of Services and other staff as necessary will attend meetings and provide support for each SPC

Guidelines regarding Councillors

- Each Councillor to be a member of an SPC
- SPC Membership for Councillors should be for the lifetime of the Council
- SPC Membership should reflect the proportionality and the distribution of the elected representatives on the full council.
- Councillors may not be nominated to represent sectoral interests.

Guidelines regarding Sectoral Interests

Sectoral Representatives for the SPCs will be drawn from the following sectors:

1. Agriculture/Farming
2. Environmental/Conservation
3. Development/Construction
4. Business/Commercial
5. Trade Union
6. Community/Voluntary
7. Social Inclusion.

The nomination process will be facilitated and agreed by the National Pillars, in other words, the Business Pillar, the Trade Union Pillar, the Farming Pillar and the Environmental Pillar. The environment/conservation, community /voluntary and social inclusion sectors will be determined on the basis of the local nomination process through the PPN. The environment/conservation sector will be facilitated by the environmental pillar and the associated Environmental College under the PPN arrangements.

Due regard will be given to those groups or county wide organisation who have a specialist expertise in certain specific areas of interest.

Sectoral nominees should retain membership of the SPC for the life of the Council.

Each sector should select its own nominee.

State and Local Development Agencies are not included as nominating bodies to the sectors and should not be represented on the SPC.

Nominations from the Sectors should, insofar as possible, reflect an appropriate gender balance in line with Government Policy.

4.0 Lobbying Act 2015 – Transparency Code

The Regulation of Lobbying Act 2015 (the Act) is designed to provide information to the public regarding who is lobbying whom about what. Individuals and organisations who participate in Strategic Policy Committees established by local authorities may have obligations under the Act.

A critical element of public policy formulation by the Strategic Policy Committees is the availability to the local authorities of expertise, skills and knowledge from persons outside of the public service. Where membership of the Committee comprises of at least one person who, for the purposes of the Act is a Designated Public Official, it may be the case that communications within the group could be considered lobbying communications. The person making these communications may be required to register as a lobbyist and to submit a return of this communication to the Lobbying Register.

However, the Act provides for an exception from the requirement to register in such cases once specified transparency criteria have been put in place. A transparency code was published by the Minister for Finance and Public Expenditure and Reform to address this situation. Communications between members of Strategic Policy Committee about the work of the Committee would be exempt where the group in question complies with the Transparency Code.

5.0 Implementation and Support Measures

Clare County Council will provide ongoing training and support for members of the SPCs to support them in their work:

- Workshops on policy to cover the areas within the remit of the SPCs
- Briefings on the role and functions of local government
- Any other training deemed necessary by the Council
- Payment of expenses to any SPC members who do not receive expenses from their own organisation in respect of attendance at SPC meetings.
